Please circle a specie

Red Oak White Oak Braz. Cherry Maple

Your wood species and color selection is based on the choices available from all major prefinished wood flooring manufacturers. Please provide us with the following information.

Wood Flooring Manufacturer: _____

Manufacturer's color name: _____

Warranty

Stairtek 25 Year wear guarantee

STAIRTEK pre-finished hardwood moldings and treads are guaranteed for 25 years. Our warranty covers resistance to complete deterioration of the finish down to the wood surface, as well as flaking. It covers all defects attributable to the production process, such as manufacturing defects and classification errors. STAIRTEK products are guaranteed against premature wear, flaking, premature discoloration or premature yellowing. Because wood is sensitive to light, we recommend that you protect it against strong light and sunlight. Poor protection will result in discoloration of natural yellowing that is not covered by warranty. Please note that, with time, a decline in wood luster is also considered normal and is not covered by warranty.

The 25 year warranty covering STAIRTEK products is applicable only when the product is installed for residential use and according to STAIRTEK installation instructions. Installation guidelines may be found in the installation section of the web site. Failure to comply with installation instructions will result in the warranty becoming null and void.

STAIRTEK is not responsible for any damage or deterioration of the product during shipping or storage, or at the time of installation of the product by a distributor, retailer or installer.

Color

Stairtek's color blending system takes all the guess work out of selecting a color for your new stair parts. When placing your order, just give us the manufacturer, color name and product number of your prefinished wood flooring and eliminate all the sanding, staining and finishing required in the past. Your new prefinished treads and risers are shipped directly to your home via UPS. All products are manufactured with our Beauty Last, aluminum oxide finish with a 45% semi-gloss sheen.

It's just that easy...

Stairtek is a proud partner of
United Parcel Service.
Shipped direct to you.
